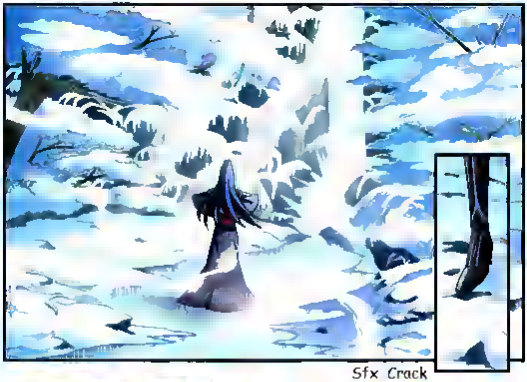
Sword Spirit Summit
This is the Forbidden Grounds of the rear mountain, Shi Jie please stay behind.
Move oway! I need to see Han ShiXiong!
Han ShiXiong is in training now, Shi Jie should come on another day
Waaa!
I have no spare time to speak rubbish with you guys!
Sfx: Smack



Sfx Crack

Frown

Sfx Whoosh------

Han ShiXiong, it's me! Nu Yan Qing from Beast Spirit Summit
Drop
Sfx: Whoosh
Sfx: Clank
This place is my training ground what did Shi Mei came here for?
I
If there is na important matter, please go back

Resolute
Han ShiXiong, are you going to ruin your future for that trash?!
Is that girl called Xiao Wan worth it?
.....
ShiXiong, wake up, don't carry on with the wrongdoing!

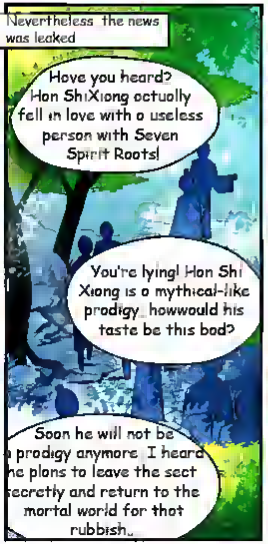
What I do is none of your business.
This attitude of Shi Xiong, don't tell me the recording on the Shadow Tracing Bead is true...
Recollects
It's impossible to counterfeit with Shadow Tracing Bead.
Shi Xiong just received punishment, his back must have lash marks.
If Shi Jie doesn't believe me, you can go and look at his wounds, then you'll know if it is real or fake.

Halt!
ShiXiong, please untie your robe, and let me see your back!
Is that the reason you trespassed the Forbidden Grounds?

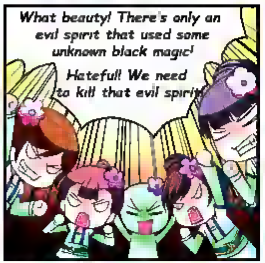
Shi Xiong, this is very important! I beg you please let me see it!
ShiMei should focus her mind on training
or you won't be able to advance to the Building Base Stage
I...
If it weren't for you...
Ying Chang can't afford to be teased by Shi Mei!
Why would I put down my pride

Sfx: Bang
Han Shi Xiong refused to let me see his back!
Han ShiXiong is very clean living and honest of course he won't agree on this kind of unreasonable demand
Haha
ShiXiong must be concealing the wounds on his back
Sigh he willingly accept punishment for that good-for nothing and even make an utmost effort on huding it and protecting her...
It seems like Shi Xiong really fell for her!
I will not let Shi Xiong go on the road of destruction!
Say! What are you planning to do?

Haha you finally fell into the trap! You idiot
If ShiXiong is involved, you will also be fooled by me
Now obediently become my blade!
I'm afraid ShiXiong won't listen even if we urge him to give up on the idea of eloping
Why don't we report this to CiNing Spiritual Master?
Absolutely not!
Only you and me know aboutof this matter, a third another person will not be allowed!



Nevertheless the news was leaked
Have you heard? Han ShiXiong actually fell in love with a useless person with Seven Spirit Roots!
You're lying! Han Shi Xiong is a mythical-like prodigy_ howwould his taste be this bad?
Soon he will not be a prodigy anymore I heard he plans to leave the sect secretly and return to the mortal world for that rubbish..



Tn: A Chinese saying meaning "choosing a female over power"

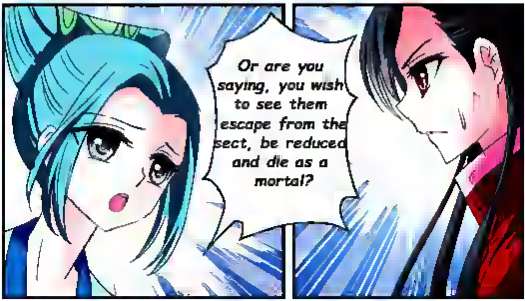
Just what is going on! Are you the one who spread the news?
Only the two of us know about this, who will spreod it then?
ShiJie I'm dinnocent!

Moybe it's the person who gave me the Shadow Tracing Beod
The bead was on my table when I returned to my room that day without leaving any other clues
Why didn't you say this eorlier! Perhaps this person has onother aim...
Don't tell me it's to ruin Shi Xiong's reputation?

No matter what aim he has, I need ta thank him far preventing ShiXiang an making a seriaus mistake.
ShiJie, yau alsa think so right?
Sfx: Slap
Stop with your fake manner, I buy it!
Hehe
Hateful. I still have ta use yau sa I'll endure it far now.

The news is leaked, all we can do now is to report to CiNing Spiritual Master only she can stop Han ShiXiong from rebelling against the sect
He's right!

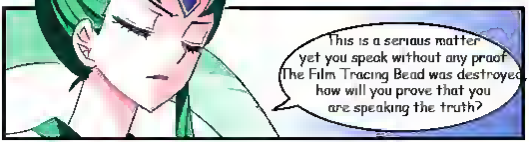
Han ShiXiong's plan of eloping will not work if he's caught



Or are you saying, you wish to see them escape from the sect, be reduced and die as a mortal?

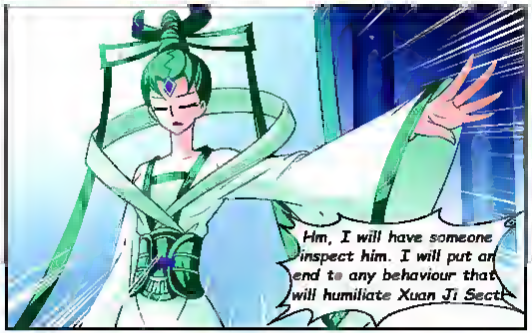
No! I can't let her destroy ShiXiong!
Secretly delighted!

Diverse Vitality Palace
That is the matter...

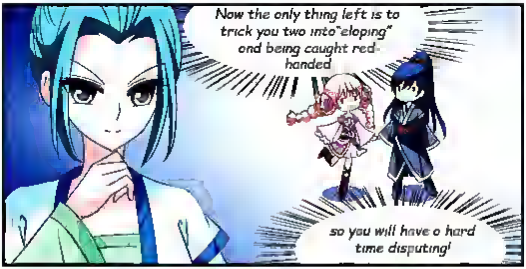


This is a serious matter yet you speak without any proof. The Film Tracing Bead was destroyed, how will you prove that you are speaking the truth?

I understand it is hard to believe that Shi Xiong would do something like this..
But Nu ShiJie can prove it
YanQing, did you really see from the Shadow Tracing Bead that Chong-Er is blinded with lust and plans to abandon the sect?
Yes
Very well, very well, he sure is my good pupil!



Tn: Chinese idiom meaning "lacking only one tiny crucial item



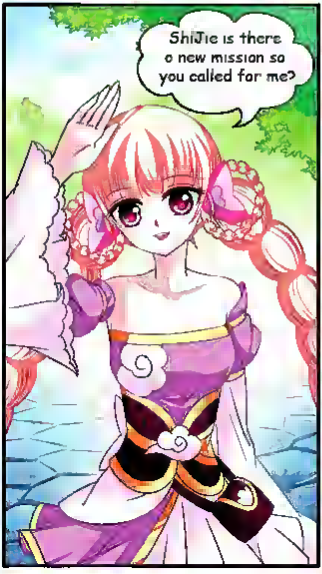
Now the only thing left is to trick you two into "eloping" and being caught red-handed
so you will have a hard time disputing!

It's your fault for not taking me seriously
If I can't have it others won't have it as well!

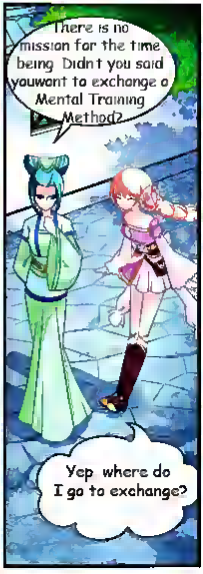
Han ShiXiang, Xiao Wan sister asked me to pass on a message to you, asking you to meet her

A few days ago Nu ShiJie caused ShiXiang same traubles right
She heard a rumar abaut yau and XiaoWan sister having an unusual relatianship
Complete nonsense
I'm afraid she will be lectured by ShiJie
and she has been laaking farward ta see yau again.
Is she?

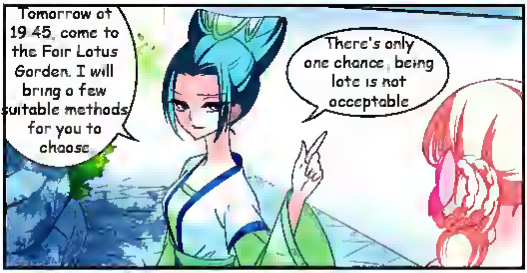
ShiXiong may you go ond meet sister? Please
Hm



ShiJie is there o new mission so you called for me?



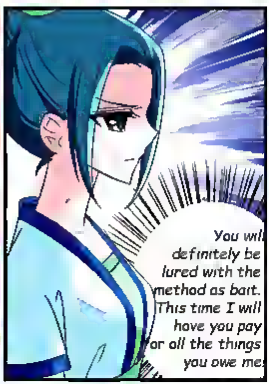
There is no mission for the time being Didn't you said youwant to exchange o Mental Training Method?
Yep where do I go to exchange?



Tomorrow at 19:45, come to the Fair Lotus Garden. I will bring a few suitable methods for you to choose.
There's only one chance, being late is not acceptable

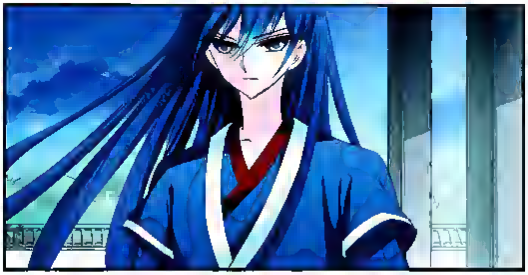
Hm, why is she so kind suddenly? This time she didn't cause me any troubles,
or is she plotting something again?

I am not afraid of whatever plot or scheme you make, I will make you hand over the method!



You will definitely be lured with the method as bait. This time I will have you pay for all the things you owe me!

The next night, at Fair Lotus Garden
Did you bring the method?



Why are YOU here?
